Funnel Overview

This funnel framework guides prospects from awareness to purchase. Each stage is designed to build trust, demonstrate value, and move leads closer to conversion.

Stage 1: Awareness

Attract your ideal audience through content marketing, paid ads, and social media. Focus on addressing pain points and establishing expertise. Key metrics: reach, impressions, click-through rate.

Stage 2: Interest

Capture leads with a compelling lead magnet. Deliver immediate value and begin the nurture sequence.
Key metrics: opt-in rate, lead quality score.

Stage 3: Consideration

Nurture leads with valuable content, case studies, and social proof. Address objections and build desire for your solution. Key metrics: email engagement, content consumption.

Stage 4: Intent

Present your offer with a compelling sales page or webinar. Use urgency and scarcity appropriately. Key metrics: sales page views, webinar attendance.

Stage 5: Purchase

Optimize your checkout process for conversions. Include order bumps and upsells. Key metrics: conversion rate, average order value.

Stage 6: Retention

Deliver exceptional customer experience. Implement post-purchase sequences and loyalty programs. Key metrics: customer satisfaction, repeat purchase rate.
